TRIBUTEPALOOZA

It was recently called the "party of the year" in Las Vegas on New Year's Eve, and smashed all attendance records at the Fremont Street Experience with a capacity crowd of 30,000. It was selected as the closing night entertainment at the 2008 International Pow Wow convention, the travel industry's premier international marketplace with over 70 countries represented. Now, with a proven track record of producing such events, *Legends in Concert*, the longest running tribute show in entertainment history, is ready to bring the ultimate concert, Tributepalooza, to your venue.

In the spirit of Woodstock and Monsters of Rock Tour, the Tributepalooza prototype is a six hour rock festival, consisting of four top tribute bands, each performing for 75-90 minutes. This is all customizable for your specific needs. An all-day pass or wristband with a suggested \$20-\$25 ticket price allows attendees to come and go throughout the event. This makes it the perfect fit for casinos, fairs and outdoor festivals.

Tributepalooza can be tailored to fit any particular theme based upon the specific demographic each client wants to attract. Themed shows can include Classic Rock, Heavy Metal, Country or the British Invasion. Tributepalooza can also be built around the music of a particular decade. One month the festival can showcase rock bands of the 70's, while the following month a tribute to the hair bands of the 80's can be presented.

Legends in Concert is dedicated to attracting and retaining customers for the benefit of our clients, and Tributepalooza is our newest product that achieves our mission. This high quality yet cost effective solution for outstanding and compelling entertainment, is just right for these challenging economic times. We not only will produce the event from start to finish for you, but our team will assist you with marketing and promoting the event. Tributepalooza brings an entirely new format of entertainment to your outdoor venue; one that is affordable, beneficial and compelling.
